was discussed. Mr. Parker was previously living in South Carolina with his mother and stepfather following his release on this Court's appearance bond on July 29, 2020. At some point in mid-October 2020, Mr. Parker returned to this district, but this was only discovered several days later after receiving information from his supervising officer in the District of South Carolina and subsequently verified through phone conversations with Mr. Parker and his mother. Evidently, his mother was unaware Mr. Parker had left their home in South Carolina for at least three to four days, but never communicated this to the supervising officer in South Carolina.

Based on this and Mr. Parker's current residence status, receiving mental health services, and being supervised by pretrial services in this district, it appears that the third-party custodian condition is no longer appropriate.

This was discussed in the presence of all parties and endorsed.

I swear under penalty of perjury that the foregoing is true and correct.

Executed on this 12th day of November, 2020.
